Mrs. Jeannette Elias  
Manager Corporate Communications  
The National Gas Company of Trinidad and Tobago Limited  
Orinoco Drive  
Point Lisas Industrial Estate

Dear Mrs. Elias

The Fatima Old Boys Association has over the years assisted its Alma Mater with the funding of numerous projects, all aimed at enhancing and advancing the delivery of education at our beloved college. Most recently, the Association funded the design and deployment of a Wireless Network to support the Government's eLearning initiative. This was done at a cost of \$297,000. Additionally, we recently completed renovation of the Pavilion on our Sports Ground. This project included the outfitting of a Fitness Centre at a total cost of \$190,000.

As you may appreciate, the need to fund critical projects is an unending one, driven primarily by our desire to ensure that Fatima's students and staff have all the necessary resources at their disposal to facilitate the delivery of a holistic educational experience. These initiatives are made possible thanks in large part to the Association's fundraising efforts, with two of the more critical events being our annual Cook Out and the other, our highly acclaimed Carnival fete.

Our annual Cook Out is carded for October 20<sup>th</sup> this year and it is our sincere hope that you will be able to assist us with the hosting of this event by making a monetary contribution. This year we estimate that the event will cost the Association approximately \$110,000.00, with our major categories of expenses being, equipment rentals, licensing fees and janitorial services. Any amount that you can donate towards defraying the cost of the Cook Out will be truly appreciated.

The efforts of the Association are in no small measure complimented and made possible through the kind patronage and support of companies such as the NGC. We look forward to your support.

Sincerely,

The Fatima Old Boys Association
